Career Pathways

Trainee Solicitor

All of our partners developed their expertise with us as Trainees. We offer responsibility, high-quality work and top clients to help you shape your expertise. With offices in Belfast & Bangor, we work across a broad range of legal service sectors. Working with us, after completion of your initial training period, you will take on caseloads with the collective support of our expert legal team; our partners, solicitors and risk managers. You will draft and proofread legal documents and liaise with clients and stakeholders to provide case progression updates, relaying legal advice, to case completion. We offer financial support towards further legal studies (IPLS), supporting your qualification route to the role of solicitor.

Our training programme is designed to give you the best start in your career. We recruit annually, you can apply via our online application system.

Solicitor

We are always looking for the best legal team to work with us who are commercially aware, intelligent, adaptable, collaborative, who welcome a challenge and excel at what they do.

Whether you are looking for a legal sector or location change, returning from abroad or making the next step in your career - we would like to hear from you.

In return for your commitment to us we will encourage and invest in your personal development; giving you the opportunity to achieve your career ambitions and stand out as an expert.

Business Professional

Our business professionals collectively ensure operations within the firm run smoothly & efficiently, continually looking at new creative ways to develop and improve our firm's service delivery.

We have specialist HR, Finance, Marketing and IT Support teams who all play a collaborative, vital role in supporting our internal legal teams and their service delivery to our clients.

We offer and support our professional teams with career progression opportunities which help achieve their full potential. If you feel you would work well with us, we would like to hear from you.'
